SERVING THE LEAST THE LAST & THE LOST

Xplore a year with the least, the last and the lost for Jesus. A new global gap year programme for 18-25 year olds, register NOW.

WHAT?

Join a new global gap year scheme that makes mission top priority and gives you the chance to learn and serve in the UK or internationally. You will be pushed to prove yourself and your commitment and be wholehearted for Jesus Christ.

WHO?

For young people aged 18-25 who want to be motivated, trained and equipped for modern mission and are prepared to set aside personal ambition, career success and financial security for the sake of the gospel.

WHEN?

The scheme starts in September 2007 so register your interest NOW.

WHY?

We need young people to get experience of making disciples in places where traditional church has failed – with the least, the last and the lost.

WHERE?

For 14 weeks you will be trained and work at our project in Liverpool, and will then live out what you've learned by spending up to 6 months with a frontline placement in either the UK, Kenya, USA, Australia, Canada, Barbados, Jamaica and New Zealand. The final few weeks are spent back at the training base, de-briefing and planning for the future.
