

For all staff to familiarise themselves with the issues on Safeguarding Children:

Child Protection—E Learning

Two modules course.

Module 1: Basic Awareness

- Show that you are aware of child abuse and the need for child protection
 - Why children need protecting
 - What child abuse is

Module 2: Basic Skills

- Indicate that you are aware of what to do if you think a child may be being harmed
 - When to tell someone if you think a child might be being abused
 - Who to tell
 - How to tell them what they need to know

As you work through the course there are activities to help you learn. At the end of each module is a quiz to check that you have understood what you have been learning.

When you have successfully completed the quiz you can move on to the next part of the course. When you have finished the last quiz you will have passed the course and a certificate of completion will be provided for you to download.
